Data Destruction

Media has been sanitized, purged and/or destroyed in accordance with the NIST 800-88 Rev. 1 Purge/Destroy guidelines or DoD 5520.22-M (upon request). Data sanitization and/or destruction was performed to protect consumer and customer data in adherence to all required local and international standards including but not limited to: GDPR, HIPAA, PCI-DSS, Sarbanes-Oxley (SOX), and FACTA. Avail Recovery hereby guarantees all data has been eradicated from the equipment received in this lot.

Disposal and Recycling

This document certifies that the materials received by Avail Recovery Solutions LLC were handled in strict compliance with the guidelines set by the United States Environmental Protection Agency and the Department of Toxic Substance Control pursuant to all sections under §66273 and §66261. All waste will be processed by a certified facility in accordance with R2:2013, ISO 14001, and OHSAS 18001 standards. Avail Recovery releases the customer from all liabilities associated with disposal of goods.

Transfer of Property and Ownership

By virtue of this transaction customer certifies they are the lawful owner of the goods freely from any encumbrance and has the right to sell these goods. Customer will support and defend transfer of ownership to Avail Recovery Solutions LLC and acknowledges that upon receipt of goods Avail Recovery Solutions LLC shall have all rights to sell, transfer, and handle goods in accordance with the requirements of the Environmental Protection Agency.
